Committee meeting date: September 21, 2026

For the Metropolitan Council: October 14, 2026

Business Item: 2026-168

Adoption of Utility Allowance Schedule for Metro HRA Rent Assistance Programs

District(s), member(s): All

Policy/legal reference: Code of Federal Regulations Title 24, Part 982

Staff prepared/presented: Steve Victorey, Business Systems Analyst 4, Housing and Redevelopment Authority, (651) 602-1461

Division/department: Community Development / Housing and Redevelopment Authority

Proposed action

That the Metropolitan Council approve the attached Utility Allowance Schedule as shown in Table 2 for use in the Housing Choice Voucher and other rent assistance programs effective January 1, 2027.

Background

The Metropolitan Council must establish and maintain a utility allowance schedule for use in its rental assistance programs. In calculating rents, the housing authority must consider the cost of tenant-paid utilities. A utility allowance is a credit for tenant-paid utilities and is used to determine the family share of the total housing costs (rent + utilities). The utility allowances are based on average consumption for an energy-conservative household.

The federal regulations require a schedule revision if there has been a change, up or down, of ten percent (10%) or more in any utility rate since the last time the allowance for that utility was revised. The Council last approved allowance changes in on September 24, 2025 with [Business Item 2025-236](#).

Staff completed the annual review of current utility rates for natural gas, electric, propane, fuel oil, water, sewer, and trash collection along with average prices for appliances sometimes provided by tenants as required by the lease. The review requires an increase in sewer utilities.

Table 1: Utility Rates

Utility	Rate Last Updated	Rate Used when Last Updated	2025 Rate	Percentage Change since last update	Update Required
Natural Gas (cost per therm)	2025	\$0.929	\$1.017	9.50%	No
Electricity (average annual cost per Kwh)	2024	\$0.165	\$0.166	0.18%	No
Bottle Gas (cost per lb)	2024	\$1.87	\$1.95	4.33%	No
Oil (cost per gallon)	2024	\$3.81	\$3.628	-4.79%	No

Water (average household cost)	2025	\$24.12	\$26.03	7.92%	No
Sewer (average household cost)	2024	\$34.24	\$39.05	14.05%	YES
Rural Water (average household cost)	2025	\$45.25	\$46.75	3.31%	No
Rural Sewer (average household cost)	2025	\$64.42	\$68.09	5.70%	No
Trash (35 gal)	2022	\$31.49	\$30.95	-1.71%	No
Trash (64 gal)	2022	\$34.47	\$32.90	-4.55%	No
Trash (96 gal)	2022	\$36.15	\$35.64	-1.41%	No
Refrigerator (total cost)	2024	\$550.00	\$579.00	5.27%	No
Range (total cost)	2024	\$550.00	\$560.00	1.82%	No

An increase in the utility allowance decreases the tenant rent portion and increases the housing authority rent portion.

Financial Impact

There is a financial impact resulting from the required utility allowance changes.

1. 29% of voucher holders pay for sewer

The utility allowance changes will occur gradually over the next year and are implemented with regular annual recertifications. Overall, the new utility allowance schedule will increase HRA subsidy costs by \$9,000 per month, \$108,000 per year.

Rationale

Utility allowances are used to determine the total housing cost to the tenant. The tenant's lease determines which utilities are paid by the tenant and which by the property owner. The recommended changes are required by federal regulation.

Thrive lens analysis

On Feb. 12, 2025, the Council adopted Imagine 2050, which builds on policy direction in Thrive MSP 2040. The utility allowance schedule revision supports the Thrive outcomes of livability and stewardship. Reviewing and updating utility rates each year ensures program participants receive accurate rate reimbursements for tenant-paid utilities, which helps to better manage household budgets.

Funding

Funding for the Housing Choice Voucher and Housing Opportunities for Persons with AIDS programs is provided by the U.S. Department of Housing and Urban Development through congressional appropriations. Funding for the Housing Trust Fund and Bring it Home is provided by Minnesota Housing through state appropriations.
