Proposed action

That the Metropolitan Council authorizes the Regional Administrator to award and execute master contracts 25P057 A-C for electrical distribution and facilities improvement services with not to exceed amounts as follows:

<u>Organization</u>	<u>Contract Number</u>	<u>Contract Amount</u>
Black and Veatch	25P057A	\$6,000,000
SEH	25P057B	\$2,000,000
TKDA	25P057C	\$2,000,000

Background

The Request for Proposals (RFP) was issued on May 14, 2025. Pre-proposal meetings were hosted by Council staff on May 30, 2025, and August 19, 2025, that outlined the solicitation requirements, discussed project specifications and responded to plan holder inquiries. There were thirty-two registered plan holders, twenty-six consultants, three subcontractors, three plan rooms, and eight of the plan holders identified as minority, woman, small, veteran, or disadvantaged business enterprises. On September 11, 2025, the Council received 4 proposals to be evaluated for consideration of award.

The evaluation panel consisted of seven Council staff. The criteria used to evaluate the proposals were: the quality of the proposal, the experience of the proposer, the qualifications of the proposer, and the price. The evaluation panel reached consensus that the proposals submitted by Black and Veatch and SEH and TKDA provide the best overall value to the Council.

Rationale

The execution of professional service contracts exceeding \$2,000,000 requires Council approval.

Thrive lens analysis

This action supports the Thrive outcome of stewardship as the work supports efforts to maintain the region's wastewater treatment system.

Funding

Funding is provided in the authorized capital program.

Small business inclusion

The Office of Equity and Equal Opportunity (OEEO) assigned a Metropolitan Council Underutilized Business (MCUB) goal of 5% for this solicitation. OEEO determined that the firms being recommended for award have met the MCUB requirements of this contract.
