

Action Transmittal

Transportation Advisory Board

Committee meeting date: October 7, 2026

Date: September 22, 2026

Action Transmittal: 2026-45

Streamlined 2027-2030 TIP Amendment Request: 193rd Avenue NW Roundabout

To: Technical Advisory Committee

Prepared by: Joe Barbeau, Planning Analyst, 651-602-1705
Cameron Kolbeck, Associate Planner, 612-504-2392

Requested action

Elk River requests an amendment to the 2027-2030 Transportation Improvement Program to add its 193rd Avenue NW Roundabout project.

Recommended motion

Recommend that the Transportation Advisory Board recommend adoption of an amendment to the 2027-2030 Transportation Advisory Board (TIP) to add Elk River's 193rd Avenue NW Roundabout project (SP# 204-104-009 and 204-104-009AC).

Background and purpose

The City of Elk River was awarded Carbon Reduction Program (CRP) funding from MnDOT District 3 in 2026 after the Metropolitan Council had finished its Transportation Improvement Program. The CRP funding will be used to construct a roundabout at the intersection of 193rd Avenue NW and Evans Street NW in the City of Elk River. This is a 2027 project with \$136,000 in federal payback in 2028.

Relationship to regional policy

Federal law requires that all TIP amendments meet the following tests: fiscal constraint; consistency with the adopted regional transportation plan; and opportunity for public input. It is the TAB's responsibility to recommend TIP amendments to the Council for adoption, provided these requirements are met.

Staff analysis

The TIP amendment meets fiscal constraint because the federal and local funds are sufficient to fully fund the project; funds from another CRP project were rescinded, so a second District 3 solicitation was created and the funds from that project were awarded to this project. This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025. Public input for this amendment is provided through the TAB's and the Council's regular meetings.

Routing

To	Action Requested	Date Completed (Scheduled)
Technical Advisory Committee	Review and recommend	<i>October 7, 2026</i>
Transportation Advisory Board	Review and recommend	<i>October 21, 2026</i>
Metropolitan Council Transportation Committee	Review and recommend	<i>To be determined</i>
Metropolitan Council	Review and adopt	<i>To be determined</i>

2027-2030 TIP/STIP AMENDMENT REQUEST

Please amend the 2027-2030 Transportation Improvement Program (TIP) and State Transportation Improvement Program (STIP) to add the below project.

Project Identification

Seq #	TBD
Fiscal Year (State)	2027, 2028
ATP and District	3
Route System	LOCAL STREETS
Project Number (S.P. #)	204-104-009 (2027) and 204-104-009AC (2028)
Agency	CITY OF ELK RIVER
Description	**AC**193RD AVE NW, CONSTRUCT ROUNDABOUT AT INTERSECTION WITH EVANS ST NW IN THE CITY OF ELK RIVER (AC PROJECT, PAYBACK IN 2028)
Miles	0.2
Program	RECONSTRUCTION
Type of work	TRAFFIC CONTROL DEVICES/SAFETY
Proposed Funds	CRP
Total \$	2,950,000
FHWA \$	1,336,000 (1,200,000 IN 2027, 136,000 IN 2028)
Other \$ (local)	1,614,000

Background and TIP Amendment Need

This Amendment is needed to enter this project into the 2027-2030 STIP. The funds for this project were awarded late summer after the Met Council had finished its TIP. This is a 2027 project with \$136,000 in federal payback in 2028.

Fiscal Constraint (as Required by 23 CFR 450.216)

The funds from SP 108-080-005 were rescinded, so a second solicitation was created and the funds from said project were awarded to this project. Therefore, fiscal constraint has been maintained.

Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.

2027-2030 TIP/STIP Amendment

Elk River Roundabout at the Intersection of 193rd Ave NW and Evans St NW
