

# Action Transmittal

Transportation Advisory Board

**Committee meeting date:** December 18, 2025

**Date:** December 12, 2025

## Action Transmittal: 2026-09

2026 Regional Solicitation Release for Public Comment

**To:** TAC Funding & Programming Committee

**Prepared by:** Steve Peterson, Senior Manager, 651-602-1819  
Joe Barbeau, Planning Analyst, 625-602-1705

### Requested action

Approve the draft 2026 Regional Solicitation application package for release for public comment.

### Recommended motion

Recommend that the Technical Advisory Committee recommend approval of the draft 2026 Regional Solicitation (inclusive of the approvals made in Action Transmittals 2025-31, 2025-33, 2025-35, 2026-02, 2026-05, and 2026-07) for release for public comment.

### Background and purpose

Staff requests that the Transportation Advisory Board (TAB) release the draft 2026 Regional Solicitation package for review and public comment. The Regional Solicitation will be released for a public comment period. After the public comment period, a revised draft solicitation package will be prepared for approval starting at the February TAC Funding & Programming meeting.

### Relationship to regional policy

TAB develops and issues a Regional Solicitation for federal funding. The 2050 Transportation Policy Plan (TPP) provides the goals, objectives, and policies that are the basis for the category structure of the Regional Solicitation. The 2050 TPP has an action that states “Consider equity and geographic balance principles when allocating federal funds. Ensure all community types have adequate opportunity to access regional transportation funding.” ([Policy 2: Funding, Action 2A](#)) The 2050 TPP also has a policy about shared decision making that includes community engagement, which this public comment period supports.

### Routing

To	Action Requested	Date Completed (Scheduled)
TAC Funding & Programming Committee	Review and recommend	December 18, 2025
Technical Advisory Committee	Review and recommend	January 7, 2026
Transportation Advisory Board	Review and approve	January 21, 2026
