Streamlined 2026-2029 TIP Amendment Request: Minneapolis Safe Streets for All

**Policy/legal reference:** TAB Action

**Staff prepared/presented:** Amy Vennewitz, Director Metropolitan Transportation Planning

Joe Barbeau, Planning Analyst

**Division/department:** Transportation / Metropolitan Transportation Services

### Proposed action

That the Metropolitan Council adopt an amendment to the 2026-2029 TIP to add Minneapolis's Transportation Safety Countermeasures project.

### Background

The City of Minneapolis was awarded federal Safe Streets for All implementation funding in 2024. The funding will be used to implement transportation safety countermeasures on the city's high-injury street network. These activities include medians, pedestrian refuge islands, lane safety revisions, bikeways, street lighting, pavement markings, signage, and reflective signal backplates.

### Rationale

The Metropolitan Council approves formal amendments to the TIP. The project is consistent with the Transportation Policy Plan (TPP) and meets fiscal constraint because the federal and state funds are sufficient to fully fund the project.

### Thrive lens analysis

On Feb. 12, 2025, the Council adopted Imagine 2050, which builds on policy direction in Thrive MSP 2040. Under the Thrive lens, this action promotes *livability* by enabling wide-spread safety improvements.

### Funding

This project is fully funded with federal and state funds.

### Small business inclusion

The project included in this request is federally funded. The City of Minneapolis will work with the Minnesota Department of Transportation to address federal requirements, including the DBE requirement.

## Background and TIP Amendment Need

This amendment is to add a new 2026 project into the 2026-29 TIP/STIP.

## Fiscal Constraint (as Required by 23 CFR 450.216)

Federal funding is being provided from Safe Streets for All (SS4A) grant program (DOT-SS4A-FY24-01). These federal funds are above Metro District targets. Therefore, fiscal constraint is maintained.

## Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.
