

## TECHNICAL ASSISTANCE CONTACTS

April 9, 2026

### Questions about the applications?

General questions about the Regional Solicitation and Active Transportation Solicitation applications should be directed to:

- Bethany Brandt-Sargent, Regional Solicitation Manager, [Bethany.Brandt-Sargent@metc.state.mn.us](mailto:Bethany.Brandt-Sargent@metc.state.mn.us)

### Questions about Fluxx or the mapping applications?

Questions about Fluxx or the mapping applications should be directed to:

[RegionalSolicitationSupport@metc.state.mn.us](mailto:RegionalSolicitationSupport@metc.state.mn.us)

*This email is monitored by a team of Met Council staff Monday through Friday from 7AM to 5PM. It will be the fastest way to get a response to your question.*

### Need special accommodations?

To request special accommodation for submitting Regional Solicitation applications, please contact: [webteam@metc.state.mn.us](mailto:webteam@metc.state.mn.us).

### Need transportation technical assistance?

The table on the next page provides contacts for technical assistance that may be necessary to complete an application. Before contacting any technical expert listed, please use existing local sources. Local experts in many cases are the appropriate contact for much of the data needed to respond to measures. In some instances, it may take five or more workdays to provide the requested data. Please request data as soon as possible.
