### **Background and TIP Amendment Need**

This amendment reduced the scope to remove bridge #13X02, increased the total project cost, and moved projects 1308-30S and 013-596-010 from 2026 to 2027.

### **Fiscal Constraint (as Required by 23 CFR 450.216)**

The total project increase is 100% local funding. This is a 2027 project and will be included in the 2027-2030 TIP and STIP with updated cost. Therefore, fiscal constraint is maintained.

### **Consistency with MPO Long-Range Plan**

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.
