Commercial Laboratories, Sampling Companies, & Consulting Firms

August 2026

Metropolitan Council maintains the following list as a convenience to Industrial Users of public sanitary sewers. The information below was supplied by the companies and is not necessarily a complete list. This is not an endorsement of any commercial laboratory, sampling company, or consulting firm. Met Council advises Industrial Users to always evaluate the methods and accuracy of the services provided. Sample collection, preservation, and analysis must conform to the Waste Discharge Rules and EPA-approved methods. (Note: The reference to 'sampling' below refers to the setting up of automatic samplers. All companies may be able to collect grab samples.)
